With a university background in Procurement & Supply Chain Management and hands-on experience in administration, logistics support, documentation, and vendor coordination, I am confident in my ability to contribute effectively to DRC's mission in Dolow.

Throughout my academic training and practical work engagements, I have developed a solid understanding of procurement principles, supply chain workflows, inventory management, vendor communication, and administrative support services. I possess strong skills in MS Word, Excel, PowerPoint, Outlook, and maintain excellent interpersonal abilities that help me collaborate effectively with teams, suppliers, and external partners.

In line with the responsibilities of this role, I bring the following strengths:

Supply Chain & Logistics Support

- Experience in warehouse monitoring, stock updates, bin cards, and expiry tracking.
- Ability to ensure correct and timely stock releases in line with approved procedures.
- Strong competency in maintaining well-organized archiving systems, both hard copy and digital.

- Skilled in coordinating with vendors to ensure timely delivery while following procurement policies.
- Proven ability to prepare and organize documents for supplier payments, fleet monitoring, and vehicle log sheets.
- Knowledge of asset tagging, tracking, and maintaining updated asset registers, including support during physical verifications.

Administrative Support

- Experience assisting with payments of utilities, office rent, documentation, and filing systems.
- Ability to organize and support workshops, meetings, and minute-taking when required.
- Skilled in handling security clearance coordination, hotel bookings, and general administrative tasks.
- Ability to raise PRs and Cash Advances, maintain lease agreements, and support office maintenance needs.

I am particularly aligned with DRC's values and core competencies—striving for excellence, collaborating effectively, taking initiative, communicating transparently, and upholding integrity. I am deeply committed to humanitarian principles and motivated to support DRC's mission of strengthening service delivery for displacement-affected communities.

DRC's reputation for professionalism, impact, and strong leadership inspires me, and I am enthusiastic about the opportunity to learn, contribute, and grow within your organization.

I respectfully submit my application for consideration and look forward to the opportunity to contribute to the Dolow base team. Thank you very much for your time and consideration.

Sincerely,

Abdi Majiid Hajji
